NEW LIFE CHURCH

Baby & Toddler Space Volunteer Description

The baby & toddler space on a Sunday morning has been a blessing for young families. This is because it provides a space for kids to play in and for parents to be part of the morning service in a child-friendly environment.

We're looking for volunteers to help get the room ready in the morning and tidy up afterwards. The whole thing takes about 30 minutes.

Morning setup (10am)

- Move chairs and collect mats and toy crates from the storage cupboard
- Set out coffee and tea in the small kitchen and open the hatch
- Bring a pack of croissants or pain au chocolat from Aldi (about £2)
- Set out water and glasses
- Put up posters

You are free to enjoy the morning service with the rest of the congregation.

Afternoon tidy-up (12pm)

- Put toys back in crates
- Clean up the kitchen
- Take posters down

If you would like to help out, please get in touch with Linky on a Sunday, or by completing the team sign-up form.

As at 28th August 2026.
