NEW LIFE CHURCH

# Kids Team Volunteer Description:

Teaching Sunday School has been one of the greatest joys in my walk with the Lord. Through simple lessons, God has enriched my faith in ways I never expected. Week after week, I see how He uses even the smallest moments to shape young hearts — and mine too.

In Kids Church, we have two groups:

- Bubbles (ages 3–6)
- Extreme (ages 7–11)

Each age brings its own challenges, but the rewards are priceless. Sometimes you wonder if the children have absorbed the lesson — and then one of them gives a thoughtful, beautiful answer that shows God's truth has taken root. It feels like watching a treasure being polished.

Preparing lessons has become something I genuinely look forward to. The joy of discovering something new in Scripture often spills over into the classroom, and I believe our Father delights in that.

We would love for you to join this ministry. You can:

- Teach a lesson — our new series provides simple, clear outlines you can follow.
- Serve as a helper — supporting the teacher, assisting with crafts, or helping with the fun experiments we sometimes use to bring the lesson to life.

If you have a heart for children, this is a beautiful place to grow — in your faith, in your service, and in community with our little ones. Come and be part of what God is doing.

If you are interested in this ministry and are ready for the commitment of serving one or two Sundays a month, please speak to Mary, or complete the team sign-up form. Please note that a full DBS check would be needed first before you can serve in this area.

***As at 28th August 2026.***
