NEW LIFE CHURCH

Sound & Media Team Volunteer Description:

"Then God said, 'Let there be light,' and there was light" (Genesis 1v3). When God created the world, it was dark. Right at the beginning, God spoke and light was created. Sound and vision are two of the most important senses that we have, and it's the same when it comes to the church.

What the team does in ensuring the sound and media are working is vital for the services we hold. Without sound, the musicians cannot be heard. God spoke when there was no one to hear, thus showing how important sound is.

The second part of the team's work is ensuring the words can be read. God created light, which allows us to see. Without the media, your ability to worship might be strained, as you may not feel able to join in.

If you would like to serve in this ministry, Jeff would love to talk to you. You can speak to him on a Sunday or by completing the team sign-up form.

- No experience is necessary, as all training is provided.
- You would be expected to be serving twice a month on a Sunday morning
- The team typically arrives around 9:00am to ensure everything is set up for the musicians.

To summarise, we are a small but vital team. However, we need more volunteers to ensure we can continue to provide the great service you have come to expect.

As at 28th August 2026.
