NEW LIFE CHURCH

Worship Team Volunteer Description:

Dear Church,

The worship team really want to thank everyone for their support, patience, and encouragement over the last year and a half. We are excited to see what God has in store for us for the future. We believe there are still a lot of challenges that lie ahead for us, but also that we are learning and growing more and more with time. Your continued prayers for blessing and guidance are greatly appreciated.

We are still looking to expand the team, and if you feel that this ministry is something God is currently calling you to do, we would love to talk to you!

When we worship together, something stirs - a deeper hunger to draw closer to God.

Anyone is welcome, and we are ideally looking for volunteers who:

- Have an attitude of service and humility.
- Have spent some time as part of our congregation.
- Can play a musical instrument (e.g. guitar, bass, keys or drums).
- Can commit to 3 hours of practice for each Sunday that they serve on the team (a 2-hour practice session during the week and a 1-hour practice session before the service on a Sunday).
- Are open to suggestions and feedback.
- Recognise that because this is a visible/platform ministry, it is so important that we are in alignment with our church core beliefs and values as set out by the leadership team.

If you are interested in joining the team, or have any questions about the ministry in general, please complete the team sign-up form, or come and speak to either Marek or Andy directly on a Sunday. They would be happy to chat to you.

As at 28th August 2026.
